Dated 5th March 1903.

SIR,

In forwarding herewith a consolidated Statement showing the amount sanctioned by me on the probable Expenditure Statements received from the Deputy Commissioners of Districts and the Presidents of the Bangalore and Mysore City Municipalities for the month of January 1903, I have the honor to state that the total amount for the month of January 1903 would have been less than that sanctioned by Government for the month of September 1902 by Rs.470/-, had it not been for the provision of Rs.812-14-7 made by the Deputy Commissioner, Hassan District, to meet expenditure sanctioned by Government in their Proceedings noted in the remark column of the enclosed statement and to request that you will be so good as to obtain the sanction of Government to a sum of Rs.300/- provided for Dieting charges for the Isolation Hospital at Mysore.

I may here bring to the notice of Government with reference to the remark contained in Government Proceedings No.11552-3/L.B.P.553 dated 9th February 1903, about the provision made under the head "Supply of Rations to the poor" that it does not make it imperative to provide a sum of Rs. 150/- in full, in the absence of a demand for it; consequently, only a sum of Rs.50/- was provided during the month of January 1903; instead

instead of Rs.150/-.
